

How am I driving?

OUR QUALIFICATIONS, EXPERIENCE, ADAPTABILITY AND COMMITMENT TO CUSTOMER SERVICE ARE SECOND TO NONE!

Service description:

- If you have a fleet Safety Links can provide a service to help your drivers be more cautious and have fewer collisions
- Our "how am I driving" service includes uniquely numbered bumper stickers and toll free call messaging system to take motorist observation reports
- After a call our Vehicle Observation Reports are transmitted by email to the designated manager at your company so that they can be addressed internally
- Safety Links can also provide a comprehensive fleet safety program with a direct and targeted driver education to improve driving habits and prevent accidents

You should take advantage of this service if you....

- Have a fleet of vehicles
- Want to know how you are doing
- Want to create a baseline plan for safety improvement
- Want to create a plan for continuous safety improvement

Benefits of this service:

- Influence drivers' behavior on the roadways
- Provide feedback as to how your drivers conduct themselves on the road
- Provide valuable information on trends and on the effectiveness of vehicle operator's safety practices
- Openly express your concern to the public
- Reduce your insurance costs by reducing collisions
- Help identify areas of strength and areas needing improvement
- Low monthly cost to Safety Partnership members

Bumper Stickers:

The bumper stickers are made of durable vinyl and measuring up to 17" x 5.5". They are printed on 4 mil vinyl using water and UV resistant inks. Our stickers are also laminated for extra protection. This means no fading in the sun or bleeding in the rain. Our stickers are custom printed with your company's vehicle number at no extra cost. With each order you will receive instructions for the proper installation of your stickers.
