

Program Development and Implementation

OUR QUALIFICATIONS, EXPERIENCE, ADAPTABILITY AND COMMITMENT TO CUSTOMER SERVICE ARE SECOND TO NONE!

Service description:

- By listening carefully to your needs our Safety Coaches will tailor your written programs and documents to your organization
- Our philosophy is to keep it simple! We develop user friendly guides that eliminate interpretation. We know that the easier your system is to follow the more likely it is to succeed
- You will find that our Safety Coaches possess the technical ability and versatility to ensure your systems are not only based on proven health and safety principles, but will also fit in your organizations unique culture

You should take advantage of this service if you....

- Are starting a new company
- Are initiating a new process
- Have a template "Safety Program"
- Don't know what is in your "Safety Program"
- Have had an increased level of incidents
- Want to strengthen your business
- Want a safety system not a program!

Several examples of systems we can develop with you include:

- | | | |
|---|------------------------------------|---------------------------------|
| • Corporate Measurements and Accountability | • Personal Protective Equipment | • Lock Out/ Tag out |
| • Record Keeping | • Respiratory Protective Equipment | • Medical and First Aid |
| • Incident Reporting and Investigation | • Confined Space Entry | • Material Handling and Storage |
| • Inspection Systems | • Fall Protection | • Machine Guarding |
| • Safety Training Programs | • Hazard Communication | • Ergonomics |
| • Scaffolding | • Hearing Conservation | • Electrical Safety |
| • Fire Protection | • Behavioral Safety | • Cranes and Hoists |
| | • Preventative Maintenance | • Excavating |

Service scope and price schedule:

- Since our Development and Implementation services are site specific, it would be our pleasure to provide you with a detailed scope of work and price schedule based on your needs
