

# Incident Investigation

**OUR QUALIFICATIONS, EXPERIENCE, ADAPTABILITY AND COMMITMENT TO CUSTOMER SERVICE ARE SECOND TO NONE!**

## Service description:

- Too often inexperienced and influenced investigators overlook the true cause of incidents
- For many high potential incidents you can not afford to have anything but an impartial investigator determining the incident causation
- To prevent recurrences of similar incidents the investigator must be able to find all possible answers to the question "why did the incident happen?"
- Our impartial investigators do not have any vested interest in the outcomes of the investigation and can therefore objectively find the root causes

## You should take advantage of this service if you....

- Have a serious or catastrophic incident
- Cannot conduct an objective investigation of the incident
- Are not an impartial investigator
- Cannot investigate the incident yourself
- Want the opinion of a third party
- Want technical or procedure input to your investigation

## Benefits of this service:

- There are many benefits with one ultimate purpose – THE PREVENTION OF FUTURE INCIDENTS!
- Incident prevention is most effective when all incidents and near misses are promptly reported, thoroughly investigated, and the root causes are identified and controlled

## Service scope and price schedule:

- Since each incident is different the scope and requirements of each investigation will vary it would be our pleasure to provide you with a detailed scope of work and price schedule based on your specific needs
