

# Emergency Response Plan Development/ Assessment

**OUR QUALIFICATIONS, EXPERIENCE, ADAPTABILITY AND COMMITMENT TO CUSTOMER SERVICE ARE SECOND TO NONE!**

## Service description:

- When an emergency occurs, the shortage of time, resources and trained personnel can lead to chaos
- The objective of an emergency plan is to prevent or minimize fatalities, injuries, and damage in the event of an emergency situation and to ensure your company's continuity in the aftermath
- Your Safety Coach will work with you to identify limitations in your current Emergency Response Plans so that any potential gaps can be closed

## You should take advantage of this service if you....

- Are starting a new company
- Are initiating a new process
- Are moving offices or locations
- Want to know if you are prepared
- Want an outside perspective of what you have already created

## Benefits of this service:

- Help identify areas of strength and areas needing improvement
- Help you develop a step-by-step plan for improvement
- Ensure you are ready for an emergency

## Service scope and price schedule:

- Since each organization has unique requirements it would be our pleasure to provide you with a detailed proposal outlining the scope of work and prices based on your needs
