

Behavior Based Safety Implementation and Training

OUR QUALIFICATIONS, EXPERIENCE, ADAPTABILITY AND COMMITMENT TO CUSTOMER SERVICE ARE SECOND TO NONE!

Service description:

- Behavior based programs focus on the immediate safe (or unsafe) behavior and provide positive reinforcement and immediate feedback to encourage safe work behaviors and reduce at-risk behaviors
- Your Safety Coach can help you customize a behavior based safety program based upon your needs
- Our approach varies and can include a site assessment, related documentation design, training for the implementation team, and even motivational sessions for your employees
- As employees become more comfortable with the behavioral observation process, they begin to observe and give behavior feedback informally
- As time passes a new "safety culture" will emerge

You should take advantage of this service if you....

- Are focusing on the negative
- Have a poor safety culture
- Cannot improve your safety performance without doing something different
- Want to strengthen your business
- Want to reduce your turnover
- Want to make a drastic reduction in your incident rates

Benefits of this service:

- Since each company requires a unique approach to implementing their behavioral program it would be our pleasure to provide you with a detailed scope of work and price schedule based on your specific needs

Service scope and price schedule:

- Since each organization has unique requirements it would be our pleasure to provide you with a detailed proposal outlining the scope of work and prices based on your needs
