

## Health and Safety Committee Development and Oversight

**OUR QUALIFICATIONS, EXPERIENCE, ADAPTABILITY AND COMMITMENT TO CUSTOMER SERVICE ARE SECOND TO NONE!**

### Service description:

- A Health and Safety Committee involves participants in the implementation and monitoring of their safety system
- This simple involvement can create an employee driven process that will ultimately improve your work environment
- Your Safety Coach will help by guiding the committee members with the development and implementation of their safety programs in addition to overseeing their overall progress
- Your Safety Coach will also work with your committee members to provide expert technical assistance and to ensure that their recommendations are compliant and feasible

### You should take advantage of this service if you....

- Are starting a new company
- Are initiating a new committee
- Have a current committee that is not achieving its goals
- Want to strengthen your business
- Want to know how your committee is doing
- Want an outside perspective of what your committee has accomplished

### Benefits of this service:

- Working together, an effective health and safety committee solves health and safety problems
- The idea works on the principal of "internal responsibility" which is the basic principle of modern loss control

### Service scope and price schedule:

- Since each organization has unique requirements it would be our pleasure to provide you with a detailed proposal outlining the scope of work and prices based on your needs
