

## Competent Person Assistance

OUR QUALIFICATIONS, EXPERIENCE, ADAPTABILITY AND COMMITMENT TO CUSTOMER SERVICE ARE SECOND TO NONE!

### Service description:

- Our Competent Person Assistance services are used just as you use your accountant for your financials
- Competent Person Assistance is a low cost high value service offered by our Safety Coaches.
- Many small to medium sized organizations can not afford a full-time health and safety professional, nor do they have much time to devote to health and safety tasks
- Safety Links can provide you with a complete range of health and safety support depending upon the needs of your business
- This can include:
  - An initial workplace assessment
  - Preparation and upkeep of all necessary health and safety policies
  - Basic health and safety training
  - Incident reporting and investigation
  - Monthly health and safety inspections
  - Monthly safety/ tool box meetings
  - Access to our 'Helpline'

### Benefits of this service:

- Provide employees with a safe work environment
- Have access to expert information and resources
- Save costs associated with hiring an in-house safety manager
- Ensure compliance with legislative requirements
- Save valuable time and increase efficiency
- Free up your time to concentrate on your core business
- Gain expert advice at a fraction of the cost
- Lower workers exposure to risk
- Reduce injuries and illnesses
- Lower workers' compensation and incident costs
- Increase productivity and improve morale
- Ensure compliance with local, state and federal safety and environment laws

### Service scope and price schedule:

- Since each organization has unique requirements it would be our pleasure to provide you with a detailed proposal outlining the scope of work and prices based on your needs
